Dear Aditya Mulik,

On behalf of Intellibus, we are honored to invite you to serve as a judge for the upcoming AI Hackathon on March 15-16, 2025. This event will bring together leading AI engineers, data scientists, and developers to tackle real-world challenges, drive innovation, and push the boundaries of artificial intelligence.

Your selection as a judge is based on your industry expertise and outstanding contributions to technology, and we believe your insights will be invaluable in evaluating and guiding the participants

As a judge, your responsibilities will include:

- Evaluating AI-driven solutions created by competing teams.
- Providing feedback and insights on technical execution and innovation.
- Assessing the impact, feasibility, and creativity of each project.
- Participating in the selection of winners and recognizing outstanding contributions.

Your participation as a judge not only adds significant value to the hackathon but also highlights your expertise in the fields of Software Engineering, Artificial Intelligence, and Technology.

For more details, please visit: <https://www.intellibushackathon.com/>

Thank you for your time, and we look forward to your help in making this AI Hackathon a success.

Sincerely,

Dhanya Aji Kumar Vijayakumari
